Binevenagh and Coastal Lowlands Landscape Partnership would like to invite you to the unveiling of a new textile 'The Workhouse Through the Times: Present Use 2022' created by the Limavady Hen Shed and Conflict Textiles.

The textile was created as part of 'The Workhouse Through the Times' project funded by the National Lottery Heritage Fund, which aims to provide additional engagement in, and awareness of, the Limavady Workhouse. During September 2021, the women of Limavady Hen Shed participated in workshops to create small textiles pieces which reflect how the former Limavady Workhouse is used by the community in the 21st century. These small pieces were then brought together by artist Deborah Stockdale (Conflict Textiles) to create the final textile which be displayed in the foyer of LCDI (the former Workhouse Building).

The textile will be unveiled on **March 7th 2022** at **5.30pm** in the foyer of **Limavady Community Development Initiative**. Please let me know if you will be able to attend by emailing grace@ccght.org.

Kind regards
