We Cannot Walk Alone

Causeway Coast and Glens Good Relations are working with Conflict Textiles to mark Refugee Week. Through an online workshop, participants will create arpillera dolls responding to the theme of Refugee Week “We Cannot Walk Alone”. Specifically this invites us all to extend our hand to someone new, someone outside our current circle, who has had an experience we haven’t. The finished dolls will form a collective banner which will be displayed during refugee week.

Workshops will be held online on (**Participants only need to attend one workshop**)
