

M. I. Quilt of Reconciliation

This Quilt is the second Quilt of the three in the Project. The 3rd is a Anniversary Quilt for twenty Five Years of Peacemaking of the Women Together for Peace organisation.

The Reconciliation Quilt measures 44 ins by 66 ins. The response and the desire to do something together for Peace, was so great far beyond our expectations, and we were enabled to produce three Quilts altogether. It was a wonderful Project and so many Women were able to take

Part, But it was a mammoth task. But such a joy to complete.

The one twenty-one Panels in all of the Quilt.

One Panel came from Australia from a group of Women Together including Aboriginal

Another Panel came from a Mother for Peace in Devon England. And two Panels came from Eire Both from Women in Rescue,

& Peace groups in Dublin. The remaining 14 Panels came from Women individuals & groups

All over N. J. The women came together
in making up the Quilt and in doing
so experienced peace ideas, quilting, &
happiness & formed friendships It was
all small efforts which grew & grew. And
we are proud of those efforts today
and I hope you get some pleasure
from viewing our work
