

CONFLICT TEXTILES

Human Rights through textile language: The Oxford Human Rights Festival March 2022

Photo gallery of display of images of six pieces from the Conflict Textile collection

Conflict Textiles contribution to the festival “Human Rights through textile language”, incorporated a conversation and in depth discussion of six arpilleras related to the festival 2022 theme “Movement”. For the duration of the festival, images of the textiles were displayed in book cabinets at Wolfson College.
