

Learning through partnership

Throughout the Inclusive Global Histories project we've been inspired by the work of our partners in supporting Indigenous communities globally and marginalised communities in Northern Ireland.

Their commitments to exposing social injustice, educating and lobbying, as well as celebrating and empowering their communities is transforming lives all over the world.

They are challenging us to strive for excellence, be authentic, work collaboratively, show respect and be courageous.

This film will introduce you to their work and their reflections on Inclusive Global Histories.
