

Children connecting with the past

During 4 weeks in September and October 2022 some of us at LCDI Afterschool Club learnt about the experience of children who lived in the workhouse in the 19th century. First we had a tour of the workhouse with Karen and then Rachel told us about the food they ate, work they did and the clothes they wore. With Roberta and Annie's help we then embroidered our initials in Victorian alphabet style, on pieces of linen.

Participants: Cadan Cutmore, Conor Deighan, Matthew Maguire, Maia McAuley, Maja Paluch, Anastasia Pozarska, Lexi Simpson, Eoin Deighan, Cara Tracey, Farrah Mullan and Ethan Hylands.
