EXHIBITION LAUNCH

Binevenagh & Coastal Lowlands Landscape Partnership Scheme, along with Causeway Coast & Glens Borough Council Museum Services and Conflict Textiles, invite you to the launch of a new exhibition **'Threads and Stitches of our Changing Landscape'**.

The exhibition will explore historic, present and future land use and work being undertaken by the Binevenagh and Coastal Lowlands Landscape Partnership Scheme in the local area. Objects will offer glimpses into the recent and distant past, while the textiles will provide insight into how communities around the world experience land use change.
