

Photo Gallery: Shared Roots

Regional Cultural Centre, Letterkenny

11th June 2024 - 7th September 2024

A special feature of the exhibition was the introduction of a shelf to exchange plants, ideas and traditions, similar to the concept of micro-community libraries. It is located at the reception of the RCC and will stay beyond the end of the exhibition. It has been welcomed by staff, visitors and the local community, and has had to be extended as shelf space became limited.

Due to previous experience, attention has been placed on the compatibility of plants to ensure that none are damaged or propagate disease.
