Dear Colleague

We would like to invite you to an event to mark the **International Day of the Victims of Enforced Disappearances** on Friday **30th August at 10.30** in gallery 3, floor 5 at the Ulster Museum, Belfast.

It is an associated event of our exhibition

[Threads of Empowerment: Conflict Textiles' International Journey](#)

Our intention is to experience the exhibition and connect especially to the pieces that relate directly to enforced disappearances.

We would then want to have the opportunity to exchange thoughts and feelings about the pieces and refer to the way they relate to your expertise in this subject. It aims at honouring the disappeared and empathize with their loved ones and professionals that work in this area.

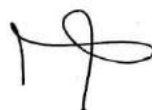

We will have a couple of arpilleras and posters on the subject so that we can grasp them directly. The event would finish at 12.30.

Kind regards,

Karen Logan
