

# WAR-TORN CHILDREN

The posters here form part of the Exhibition "*War-Torn Children*" which can be found on different floors in the Linen Hall Library.

On the Ground Floor (here) are posters from INNATE.

The exhibition consists of arpilleras (textiles), posters, photos, artefacts and other items—it includes a section of photos on migration and refugees due to war.

The exhibition runs to 15th April.

Some of these posters are available—along with others—as A4 posters for free home printing on the INNATE website at <http://www.innatenonviolence.org/posters/index.shtml>
