THE BIRTH OF MURRAY PART THREE

AT LAST IT CAN BE TOLD! THE STORY NEVER TOLD TILL NOW—
HOW THE FUEHRER FAULKNER DEFEATED THE FORCES OF.....

INTRODUCING FAULKNER'S FANTASY

REPUBLICANISM ROMANISM COMMUNISM!

WHEN I WAS ONLY A CHILD I LEARNT THAT ULSTER WAS THE LAST OUTPOST OF CIVILISATION.

IT IS COMMON KNOWLEDGE THAT THE POPE IN ROME IS AN AGENT FOR THE KREMLIN... OR IS IT THE OTHER WAY ABOUT?..... ANYWAY, THEY ARE BOTH IN THE PAY OF CHINA!

IS THIS THE MAN WHO WILL SAVE THE WORLD FROM ANARCHY??

MODESTY HELD ME BACK FOR MANY YEARS

BUT SUCH MODESTY, ALTHOUGH IT WAS VERY BEAUTIFUL, ASSISTED THE ENEMIES OF ULSTER! MY DUTY WAS CLEAR... WITH ONE BOUND.....

WHAT A WONDERFUL STORY, UNCLE BRIAN, IS IT ALL TRUE?

WOULD I LIE TO YOU?

NOT AN INCH

THIS NONSENSE MIGHT WELL BE CONTINUED IN THE NEXT ISSUE!

AH WELL, SUCH ARE THE JOYS OF LIFE IN A POLICE STATE! NEVER MIND, COMRADE SEAMUS O'OTHER. PADDY O'LOONEY (IRISH SECTION OF THE SIXTH INTERGALACTIC REVOLUTIONARY MOVEMENT) WILL ORGANISE A BIG CAMPAIGN FOR YOUR RELEASE.

UNFORTUNATELY, THE MASSES ARE UNMOVED BY THE FATE OF SEAMUS. NOR ARE THEY MOVED BY THE RANTING (SORRY, ORATORY) OF PADDY O'LOONEY.

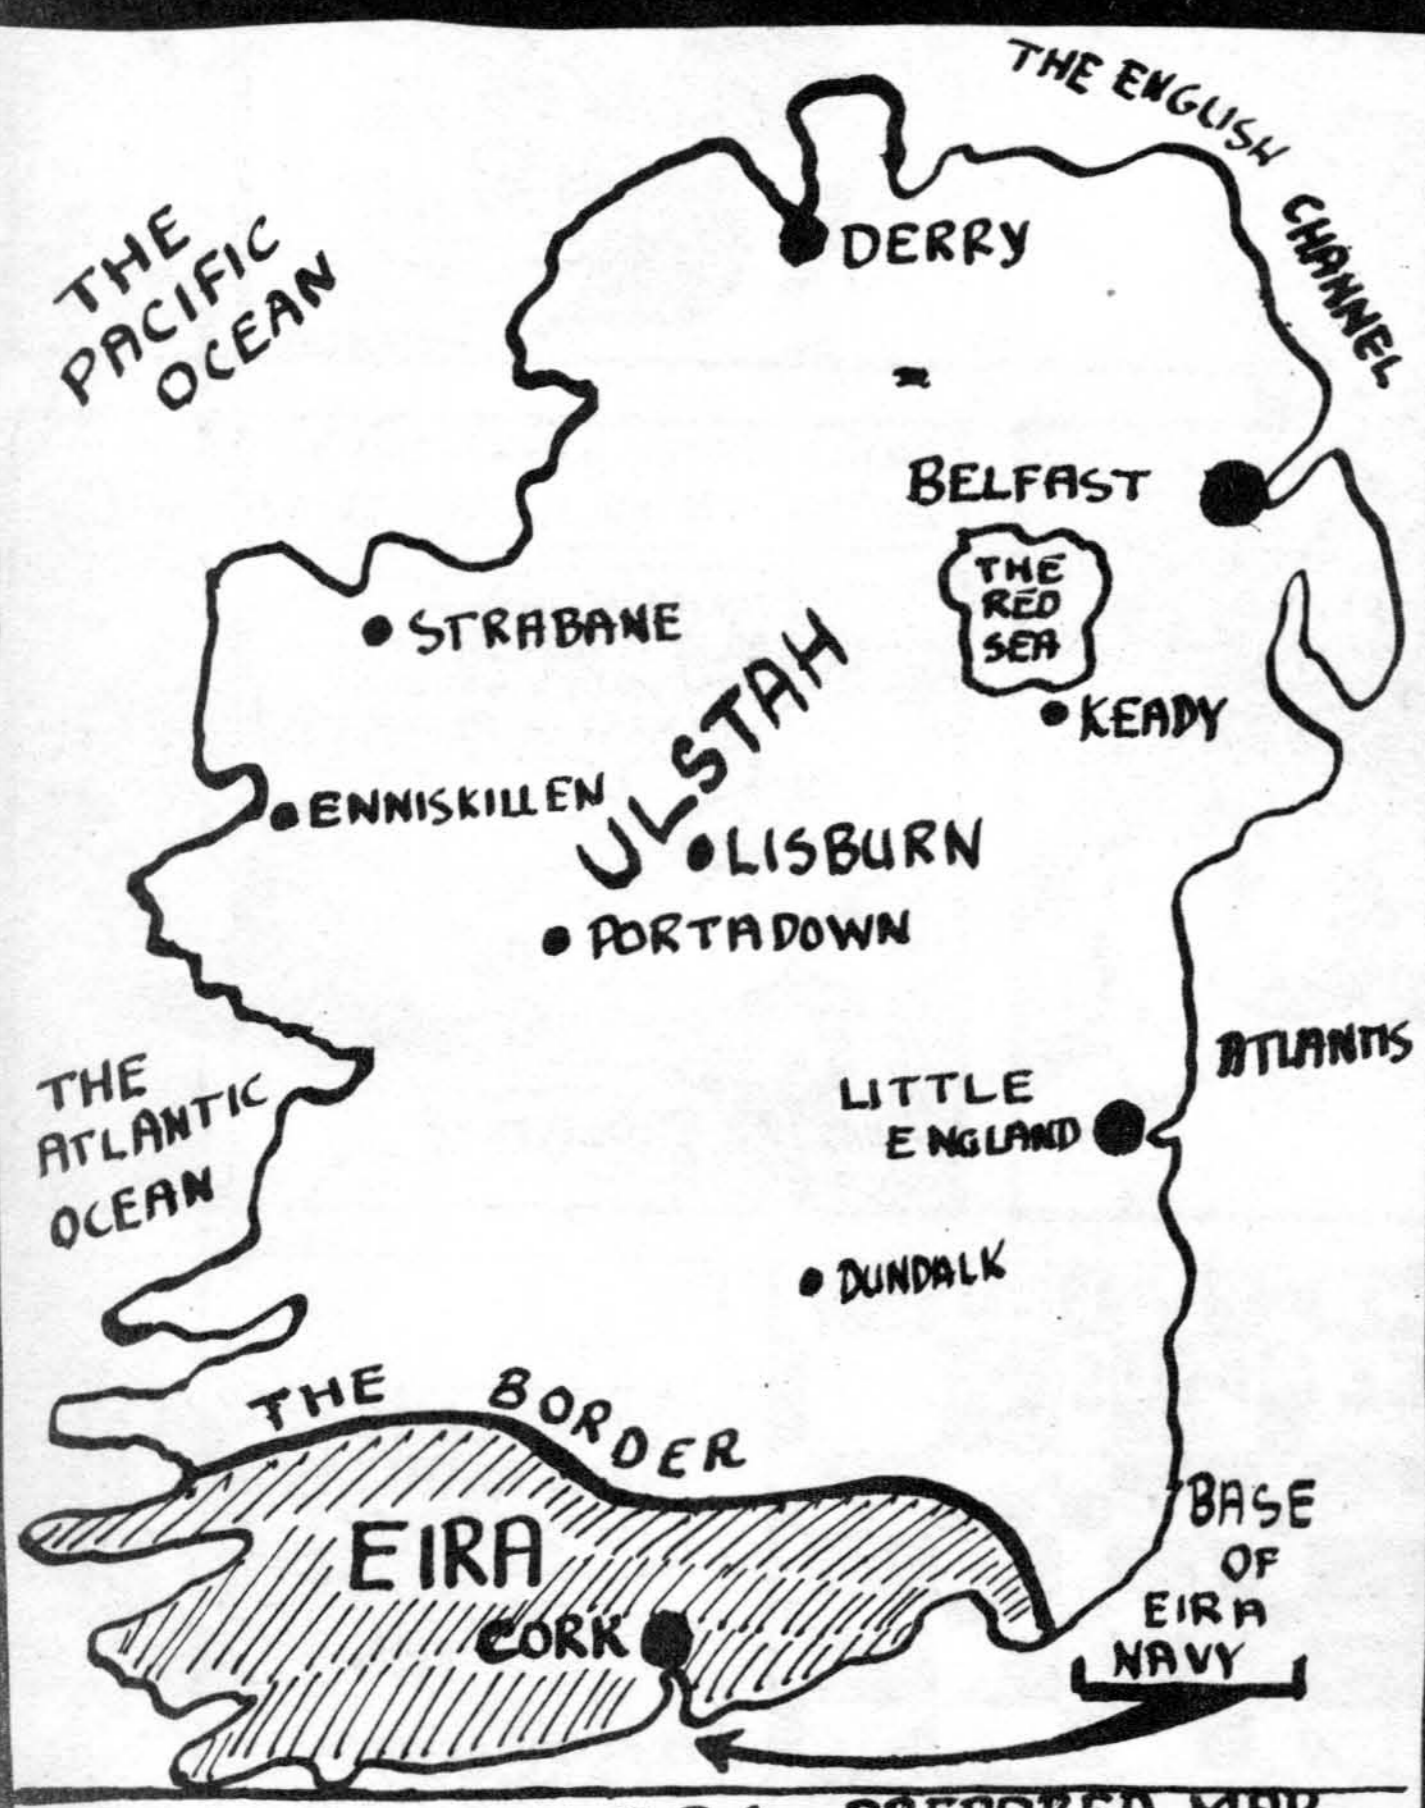

The further imperialistic antics of
Noddy in ULSTAH
 by Truck

Noddy has been hassled into joining a joint S.A.S. - C.I.A mission whose aim is to destroy the KEADY WORKERS CO-OP. He has been instructed by a mysterious American on how to recognise his contacts in Keady. This mystery mouse then gives Noddy a lecture illustrated by slides extracts from which we show you here...

SLIDE NO.7
 Our platitudinous P.R.O man..... Master Rees...

SLIDE NO.1 S.A.S PREPARED MAP OF IRELAND

SLIDE NO.39
 Kathleen ni Hoolihaun. Agent No.3. She's our Super Spy. We nailed a few politicos with her Nods... Photos an' all that..... She'll help you through the night too if your kinda lonely... She'll play a big part of her self in smashing the Keady Co-op...

SLIDE NO 80
 This Noddy despite its cunningly deceptive appearance is an assault unit of the Eira navy. X is a tin tray full of enormously destructive nuclear war heads. Not to worry. Ya'll find them a friendly bunch a' lads and if you by some chance stray into their territorial waters why, they'll show real Irish hospitality (like they've done to our plain clothes and even un-plain clothes boys who crossed the border) give you a cup of tea and a lift back to ULSTAH... Y by the way is the captain.....

SLIDE NO.16
 Here's our loyal agent No 4. 'A', a very important book. Those who read it are on our side. It gives them a sound right wing view of life. Billy Steadfast, our agent, quotes it wholesale. He's a big man in local business. Owns most of south Keady in fact. 'B' is a Lambeg, a sort of war-drum. Not likely to see that in Toy Town. Eh? Noddy. 'C' is Sam in full orange regalia. 'D' is our Queen. They really dig her. 'E' is his bowler, badge of a healthy businessman. Sam feels really threatened by the Keady Workers CO-OP.....

SLIDE NO.96
 Laundry van Noddy? No! This is our M.S.U (Mobile Spy Unit) X is a Commie Sniffer attena. It can sniff out a meeting in a Commie Cell as it is especially sensitive to words like Marxist, Imperialist, Exploitation, Grombeen Men, Class War, Capitalism,..... Y is a speaker that induces riots against the Security Forces thus helping to jail Lettie bastards.... It shouts 'Pigs', 'Brit bastards', 'Black Bastards', 'S.S.R.U.C' at Demos in frustrated workers accents thus giving our boys an opportunity to attack.... Z is a truck light...really a camera... The whole thing is a well tricked up spy machine operating from our H.Q., a bogus Keady Laundry.....

SLIDE NO 83.
 This is a FEUD resulting from a SPLIT. Like Heinz Beanz there are 57 different varieties of Republicanism. Now and again a FEUD helps us to get rid of top terrorists... sorta useful

SLIDE NO.10
 Enemy No.1. Obar O'Larkin. Used to drink like a fish... a real bar-room Marxist. Now he's put his theories into practice. He began by (to quote Mao) moving among the Keady workers' like a fish through water. Soon he brought the local knicker factory to its knees. It had to close. Then he organised a successful workers takeover.... It's going from strength to strength... This is a threat to the FREE

SLIDE NO.5
 The attitude of the average Englishman to ULSTAH. Nothing to fear there.

WORLD, OUR WESTERN CIVILIZATION, when it comes to the Nitty Gritty Noddy we don't mind Republican or Loyalists bombs and bullets. They're getting nobody anywhere and doing nothing to unite or educate the working man in Ulstah... But damn it Noddy, this bloody Commie Co-op is working... It's getting the workers to think the Commie... Your mission is to smash it. Don't worry. Even the Pope's on our side

SEAMUS O'THER AND HIS BORING ADVENTURES
