A Chara,

We hear with disbelief that it is your intention to come to Ireland to Play golf. Do you not understand that our country is at war with your country ! We understand that an attempt will be made to introduce spies and agents provocateur under the guise of golf supporters.

On Behalf of the I.R.A. we must advise against making this visit, though we are having a tactical pause at the present time.

IGNORE THIS MESSAGE AT YOUR PERIL !

Is Sinne
