Reaction to invitation from Greater London Council
members to two elected Sinn Féin representatives
to meet them in London

6.12.82

If asked for a Government reaction, spokesmen should say
(no written text to be issued):-

The Irish Government has consistently rejected violence and
has denounced all who advocate it. In regard to Sinn Féin, the
Government's position was most recently stated on 1 November
and we refer enquirers to that statement in its entirety.
