1. For reasons you will understand, Anglo-Irish Division is keen to obtain information quickly on the question of arms in relation to recent peace agreements in Africa and elsewhere. I am in touch with UN Section here, also PMUN, and should be able to obtain something fairly speedily.

2. Looking at your PR 13/94, it occurred to me that you may have some useful material and/or references in relation to Angola and Mozambique. Apart from official materials/documents, we would be very interested in any assessments made by outside commentators, academics, observers etc., particularly as regards the surrender of arms, how this part of the peace process was handled etc. Any help/obs you can offer will be most welcome. Many thanks.
