PS/Mr Goodhart (B & L)

REPUBLICAN MONUMENT IN CROSSMAGLEN

The Secretary of State has seen Mr Bloomfield's minute of 18 October and the other papers on this subject. He is quite content that Mr Goodhart should write to Mr McCusker - as the latter wrote to Mr Goodhart in the first place. However, he had reservations about the draft letter attached to Mr Bloomfield's minute of 18 October.

--- The Secretary of State has now considered the attached alternative draft and is content with it. He would be grateful if Mr Goodhart would now write to Mr McCusker in these terms.
