Dear Mr. Hurd,

At a recent Meeting of my Council, it was agreed that I should write to you requesting that you instruct all Government Departments and organisations to allow their staff to use either "Derry" or "Londonderry" on official correspondence.

I should be glad to have your reaction to the foregoing in due course although I do appreciate that such an instruction may already exist and my Council's resolution may be superfluous.

Yours sincerely,

TOWN CLERK.

Rt. Hon. Douglas Hurd, M.P.,
Secretary of State,
Stormont,
BELFAST.
