Personal accounts

Public records

Static and **interactive maps**

Chronologies, biographies and **data** on key events

CAIN provides a resource for:

The community – that feeds in to peacebuilding, reconciliation and understanding

Researchers – proving in-depth detail online

School children – supplementing curricula and teacher training

Practitioners – to support them in their work

Challenges &
Opportunities

Securing funding for further development

Keeping website and resources updated

Working with contributors to improve access to relevant information

Building and developing partnerships to facilitate use of and access to CAIN

Maintaining connections to other key resources
