**Victims Groups**

Mr Allan Bresland asked the Office of the First Minister and Deputy First Minister what funding has been made available for victims groups in West Tyrone in 2005, 2006 and 2007. (AQW 272/08)

Rt Hon Dr Paisley and Mr McGuinness: Records show that funding detailed in the table below has been allocated to organisations based in West Tyrone involved in providing support for victims between April 1998 and March 2007. A year by year breakdown of these figures is not currently available and could only be provided at disproportionate cost.

In addition to the amounts shown, victims' groups may also apply for funding from any programme or scheme, such as the District Council Community Relations Programme or European Union funding through the Local Strategy Partnerships, in cases where they can satisfy the relevant eligibility criteria.
