### DISTINCTION BETWEEN THE INNOCENT AND GUILTY MUST BE MAINTAINED - CAMPBELL

DUP East Londonderry MP Gregory Campbell said,

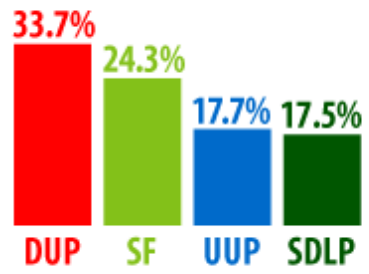

*“The establishment of an Independent Consultative Group by Peter Hain to deal with the legacy of the past, while having some potential for a positive resolution, could also be counter productive. This group must not fail to take account of the fact that there were thousands of people in Northern Ireland, irrespective of religious affiliation, who were entirely innocent and yet either were severely injured or killed while there were others who although they suffered also did so while carrying out illegal terrorist acts.*

*This is the fundamental distinction that relatives of those who were murdered quite rightly insist on when apologists for the terror insist on referring to a "conflict" rather than a vicious, brutal and totally unjustifiable campaign carried out against innocent people.*

## DUP: Leading for Ulster

2005 Westminster Results

*It remains to be seen if those in membership of this Independent Group are prepared to face up to this issue, if they are, they will have done a service to all those innocents who have suffered in atrocities, if not, they will have unwittingly or otherwise helped to engage in revisionism on a massive scale."*
