### "It's up to 3 DUP ministers to get their act together before bringing Stadium proposals to Assembly" says McNarry

Commenting on events this morning in the DCAL Committee, UUP DCAL spokesman and Deputy Chairman of the Committee David McNarry said,

"We will not be endorsing a shrine to terrorists on the Maze site, but if it is the intention of the DUP DCAL, Finance and First Minister to incorporate a national stadium with a shrine to terrorists then we believe there is insufficient public support for it.

We understand that a business study to be given to the Finance Minister extends beyond the Maze site with two options for the North foreshore and two options for existing stadia. We believe these must be explored fully before any decision can be made on the Maze.

At this moment we have not ruled anything in or anything out but until we are in receipt of all information on the matter the matter can only be resolved by the three DUP Ministers before bringing it to the Assembly."
